

PresenterPLUS

FOR ENHANCED ON DEMAND PRESENTATIONS

ACCORDENT TECHNOLOGIES IS TRANSFORMING STREAMING MEDIA FOR THE ENTERPRISE, EDUCATION, AND GOVERNMENT. Continuing upon Accordent's tradition of quality and reliability, PresenterPLUS is the first Accordent product designed exclusively for on demand rich media presentations.

PresenterPLUS: Sync screen

1 Create powerful presentation's using your favorite media formats.

2 Add impact with virtually any type of synchronized content.

3 From idea to audience in four easy steps.

4 Making precise edits couldn't be easier.

EASY TO USE

Thoughtfully designed with the non-technical user in mind, PresenterPLUS provides an efficient step-by-step workflow that requires no hand-coding.

PROFESSIONAL

Produce using the major file formats, edit using intuitive linear and non-linear editing features, then publish to an interface that promotes your unique branding.

AFFORDABLE

PresenterPLUS offers exceptional value without compromising the quality you've come to expect from the leading developer of presentation software.

WITH ITS BROAD FEATURE SET, EFFICIENT WORKFLOW, AND UNPARALLELED CREATIVE FLEXIBILITY, PresenterPLUS stands alone as the only on demand, presentation authoring software that will satisfy your schedule, your budget and your audience.

EASE OF USE

1.  Select Skin
2.  Sync Assets
3.  Preview
4.  Publish
